Annual Dinner cum Staff Appreciation Functions

To begin with, the Board of Directors and Senior Management are extremely grateful and proud of the tireless efforts from its staff in facing the tremendous challenges posed by the volatile and subdued global economic climate last year (2016). It is the dedication, agility, hardwork and ingenuity of K-One's staff which helped to cushion and lessen the pain inflicted by the adverse impact of last year's global uncertainties. Last year also marked the final phase of K-One's transformation program from being mobile phone accessories' business centric to one which catches on the next wave of technology in the likes of IoT and healthcare/medical devices.

K-One staff smiling for the camera before dinner at Indulgence Hotel.

In appreciation of our staff's contributions and to re-energize to face the anticipated impending challenges posed by yet another year of global uncertainties, K-One organized its Annual Dinner cum Staff Appreciation Functions on 6 and 13 January 2017 respectively to cater to the appropriate needs of its approximately 270 staff. The events were perfect platforms to break down walls and barriers in the workplace and also provided the opportunity to catch up in a more relaxed atmosphere.

K-One's CEO - Dato' Martin Lim, in his welcome speeches, encouraged everyone to work together as a team to produce quality products at optimum performance.

Welcome speech at Indulgence Hotel

Welcome speech or Quality seminar!

Not only were appetites satisfied, a 3-piece live band filled the air with a mix of sentimental, melodious and hip-hop songs, interspersed with lucky draws and the irresistible temptation to go on the dance floor by some staff.

3-piece live-band performance

Staff having a good time and sing-along!!

Top 5 winners of the Lucky Draw

The Event at Indulgence was ended with display of "fireworks".

Special thanks must be extended to our Annual Dinner cum Staff Appreciation Functions' committee members who put in their extra time and efforts to make these functions a success and memorable for all to enjoy.
